

Thumb Poll Consensus Tool

fully support

some concerns,
but I can support

cannot support

How To Use A Thumb Poll to Reach Consensus

1. State proposal
2. Ask everyone to vote thumbs up, thumbs down, or thumbs sideways
3. Thumbs-sideways voters may share concerns
4. Thumbs-down voters must share concerns
5. Revise proposal until there are no thumbs down votes

Consensus is achieved when everyone is either thumbs up or thumbs sideways.
